

Why Brand Associates?

For more than 50 years, the mission of the Brand Associates has been to support and promote Brand Library & Art Center as a cultural, educational, and historic resource in our community. We make possible a rich array of offerings at Brand, from gallery exhibitions to artist talks, from dance performances to music recitals, and from film screenings to poetry workshops, to name just a few — *all offered free to the public!* Behind the scenes, we provide for continuing education for Brand librarians and guided tours of our historic building.

We do a lot and we could not do it without you! In this special edition of BrandNews, we'll briefly introduce all the programs made possible by our fundraising. We want to inspire you to help us continue with our tradition of excellent programming by supporting the Associates financially. Please consider making a donation or becoming a member. *Thank you!*
